

Quality Policy

Remøy Shipping Objectives:

- Utilize and maintain ISO9001:2015 quality standard compliance and certification.
- Utilize the Safety Integrated Management System (SIMS)
- Demonstrate clear commitment of senior management and personnel in compliance to the SIMS.
- Understand stakeholders` current and future needs.
- Meet present customer requirements and strive to exceed customers' expectations.
- Engage all personnel by understanding their responsibility, authority, and accountability, towards quality.
- Compliance with internal audit programs.
- Investigate incidents and eventual customer complaints to find root cause and define and implement corrective actions.
- Promote continuous improvement by adopting the "Plan, Do, Check, Act" (PDCA) principle throughout our company processes.
- Build mutually beneficial relationships with our customers and suppliers to create added value for both.

Responsibility and accountability

The Chief Executive Officer is obliged to enact this policy under the directive of the Board of Directors

Management at all levels is obligated to secure the success of the Policy by ensuring the necessary resources are both supplied and readily available at all levels of the organization.

This policy applies to all Remøy Shipping units and is to be displayed on all vessels and shore facilities under the management of Remøy Shipping.
