

Information Classification Policy

Conducting professional business in a competitive and regulated environment, it is critical for Remøy Shipping AS to set the standard for the protection of information assets from unauthorized access and compromise or disclosure. Accordingly, Remøy Shipping AS has adopted this information classification policy to help manage and protect its information assets. All employees share the responsibility for ensuring that the company information assets receive an appropriate level of protection by observing this Information Classification Policy.

Information Category	Description	Items
Confidential	Information collected and used by Remøy Shipping in the conduct of its business to employ people, to log and fulfill client orders, and to manage all aspects of corporate finance. Access to this information is very restricted within the company. The highest possible levels of integrity, confidentiality, and restricted availability are vital.	<ul style="list-style-type: none"> - Salaries and personal information - Accounting data and internal financial reports - Confidential customer business data and contracts - Non-disclosure agreements with clients/vendors and related information - Company business plans
